

A Princess toad's Leap Day

A leap of faith on a leap day
Majestic improvement no way
A tough toad's flash of green
A rough road hardly seen
Princess may always stay astray

Do not pay for a Princess cruise
Lest many greenbacks you may lose
If you're irate and lost
At inflated great cost
Strange stray charges you must refuse

These fees I won't accept henceforth
My refunds maybe heading north
I pray Princess one day
Maybe I guess by May
Before May Day or May the fourth

Four months I guess brought a great toll
Caught I thought down a rabbit hole
I fought for sure success
Re Majestic Princess
I sought to save my mind and soul

However I should not digress
I thought I would now have success
There came a solution
Without prosecution
A resolution re Princess
